5. CONSULTATION OF THE COMMISSION ON IMPOSITION OF PENALTIES ON GOVERNMENT SERVANTS :

As enumerated in sub Clause 'C' of Clause 3 of Article 320 of the Constitution of India, the Commission is to be consulted on matters regarding imposition of penalties on Government Servants. The Commission was consulted on 8 occasions and the Commission after examining the cases conveyed its views on all the cases, to the Government.

6. APPOINTMENT MADE WITHOUT CONSULTATION OF THE COMMISSION :

It is appreciated that no instances have been found where regular appointments are made without consulting the Commission during the entire period under report.

7. COURT CASES :

The decisions of the Commission were challenged on 7 occasions and only three cases are finalised during this year.

8. APPOINTMENT MADE UNDER REGULATION 3(e)/(f) OF MIZORAM PUBLIC SERVICE COMMISSION (LIMITATION OF FUNCTIONS) REGULATIONS, 1994.

Since its inception, the Mizoram Public Service Commission has been processing cases of recruitments without any delay and therefore, there is no justified ground for Government to resort to Adhoc appointment under Regulation 3 (e)/(f) of Mizoram Public Service Commission (Limitation of Functions) Regulations, 1994.

It may, however, be mentioned that some Departments, in spite of being aware of the fact that the vacancies were likely to be ocured for more than six months, did not take trouble to refer the cases to the Commission before expiry of the stipulated period i.e. 30 days from issue of such appointment orders. The Commission would, therefore, like to urge the Government to comply such provisions. In case of any deviations to the provision of the rules due unavoidable reasons, the reasons thereof may be conveyed to the Commission.

The considered opinion of the Commission on this matter is that, no adhoc appointment should be made at all, since such kind

of appointment more often than not, leads to complications to the person concerned as well as to the Government and the Commission. It is appreciated that the Commission have no knowledge of any such appointment made during the year under report.

9. Another matter needing urgent attention is the system of recording the Annual Confidential Report. While some Departments have certain objective formats for recording such reports, many others use uniform and very subjective type of forms with the result that at the time of scrutiny by the D.P.C. or the Commission for selection of candidates for promotion, the reports fails to bring out properly the quality of the Officers reported upon. Hence, it is necessary to work out different types of formats which are required for different Department/Services. Besides, it has been observed that due application of mind at the time of recording of such report by concerned authorities is, in most cases, wanting in respect of Reporting, Reviewing and Accepting authorities of the A.C.R.s. The Commission would, therefore, like to advise the Government to take educative measures like Training, Seminars, Workshops etc. through which all Officers involved in recording A.C.R.s may be properly educated. The Commission would also like to advise the Government that completion of writing of ACR by all concerned authorities is ensured within the stipulated time as per existing Government instructions.

10. The Commission, since its inception made special efforts to reduce the time taken in various selection procedures and for this purpose, undertook Examination and effected improvement of its system and procedures. While these efforts have resulted in final disposal of cases referred to the Commission within short period of time and also reduction in number of pending cases, it has also brought to light the fact

that most of the Departments, while sending proposals to the Commission, used to furnish requisite documents in piece-meal manner in spite of the fact that the Commission had issued clear guidelines in this respect. Incomplete reference to the Commission not only leads to unnecessary correspondences, but also results in wastage of time and energy. It appears that the guidelines issued by the Commission have not been taken notice of by some Departments as there continues to be many incomplete proposals. The Commission feel that finalisation of cases sent to the Commission can further be speeded up if officials in the Government Departments take more care to ensure that all the required papers and records are in the proposal while referring cases to the Commission.

11. Automation of Examination System : - Since efficiency of Government servants generally depends on the quality of the personnel selected, the Commission have always been striving to ensure selection of persons of high calibre through a fair and objective selection process. The criteria, procedure and methods of selections are being constantly reviewed for securing the best talents available.

During the period under report, the Commission introduced objective type Question for General Studies and optional Papers except for English Paper I and II for Competitive Examinations for all services other than those who are having their own examination regulation. The need for automation of Examination system of the Commission was felt for quite sometime. In order to generate a highly accurate and quick results, Machineries like OPSCAN 10 (OMR), Vario Print 2110 and its peripherals were procured. The Commission would like to place on record its profound gratitude to the State Government for sanctioning the required amount of Rs. 56.00 lakhs during the year for Automation of Examination Section of the Commission.

Commission approved opening of Examination Centre at Serchhip on 10.3.2010.

12. Examination Hall :- The Commission, since its inception, has to depend upon Educational Institutions for Conducting of Competitive Examination which sometimes hindered functioning of the Commission Examination. The Commission have to schedule its examination to the convenience and availability of these Educational Institutions. In order to do away with these inconveniences, the Commission approached the DONER Ministry for allocation of Fund for Construction of Examination Hall to the tune of Rs. 3.02 crores. Realizing the need to have separate Examination Hall for the Commission, The State Government had given unstinted support to the Commission's proposal and placed the project among its priority list of State as a result of which, DONER Ministry has given Administrative Approval for allocation of fund to the tune of Rs. 3.02 Crores. The Matter is now under the active consideration with the Central Public Works Department for its approval of Plan and estimate. It is expected that foundation could be laid and Construction work began in near future.

**VISITS OF CHAIRMAN & MEMBERS OF THE
COMMISSION TO OTHER PUBLIC SERVICE
COMMISSIONS**

During the year under report, B. Sangkhumi, Chairperson visited Orissa Public Service Commission on 21.10.2009 and held discussion on matters of common interest concerning recruitment and other allied subjects and on 12.11.2009 Hon'ble Chairperson attended the Inaugural Function of the UPSC lecture series on Governance and Public Service to be addressed by the President of India.

ACKNOWLEDGMENT

Notwithstanding a few constructive observations and findings mention in this report, the Commission is otherwise thankful to the Government of Mizoram for their co-operation. It would like to place on record its deep gratitude to His Excellency, the Governor of Mizoram, the Government of Mizoram, different question setters of various competitive examinations and evaluators of answer scripts for their valuable help, unstinted support and co-operation rendered by them without which it would have been difficult for the Commission to discharge its Constitutional duties and functions smoothly. The Commission also would like to express its appreciation of the hard work and efficient performance of duties by its officers and different categories of staff.
